*Marine Repair Services-Container Maintenance Corporation
(MRS-CMC)*

Speaking Topics:

- Logistics operations operational trends
- Intermodal market dynamics and drivers
- Depot operations and M&R role in supply chain fluidity
- Terminal and cargo safety

Biography

David "Davey" Miller, Sr. Director of Operations with Marine Repair Services-Container Maintenance Corporation (MRS-CMC), is an expert on the role equipment plays in supply chain fluidity. Mr. Miller's deep understanding of terminal fluidity, M&R innovation, refrigerated equipment, container storage/capacity solutions, equipment refurbishment and trucking is instrumental in meeting MRS-CMC's customers' needs.

With a wealth of experience spanning over 14 years, he has established himself as a valuable asset for MRS-CMC, overseeing a range of responsibilities such as Operations Management, Business Development, Customer Service, and Sales. Mr. Miller's expertise extends across multiple brands within the organization, including CMC Logistics, Reliable Fleet Services, Charleston Blast and Paint, and Genset Express.

About MRS-CMC

MRS-CMC provides an array of intermodal programs including depot services, equipment sales, trucking, refrigerated services, and maintenance and repair with the nation's largest maintenance and repair (M&R) footprint. MRS-CMC is heavily invested in both Marine and Rail sectors with operations at both types. With a focus on family values, safety and customer service, MRS-CMC currently has depots throughout the Southeast, Mid-South, Mid-Atlantic and Gulf regions and M&R sites throughout the Northeast, Southeast, Southern, Mid-Atlantic, Mid-South and Gulf regions.
